Data migration personalised

Do you need to migrate data to Datalyse from your previous system? *Let our team do it for you!*

How the service works

+ Initial Consulting Call - A member of our team will contact your team to see how to proceed with the data migration and its details.

+ Our team will proceed with the migration of your data (Up to 100,000 contacts) that will be ready between 5 and 7 business days.

+ Finally, a call will be organised to review the upload of all the data and to confirm that everything works as planned.
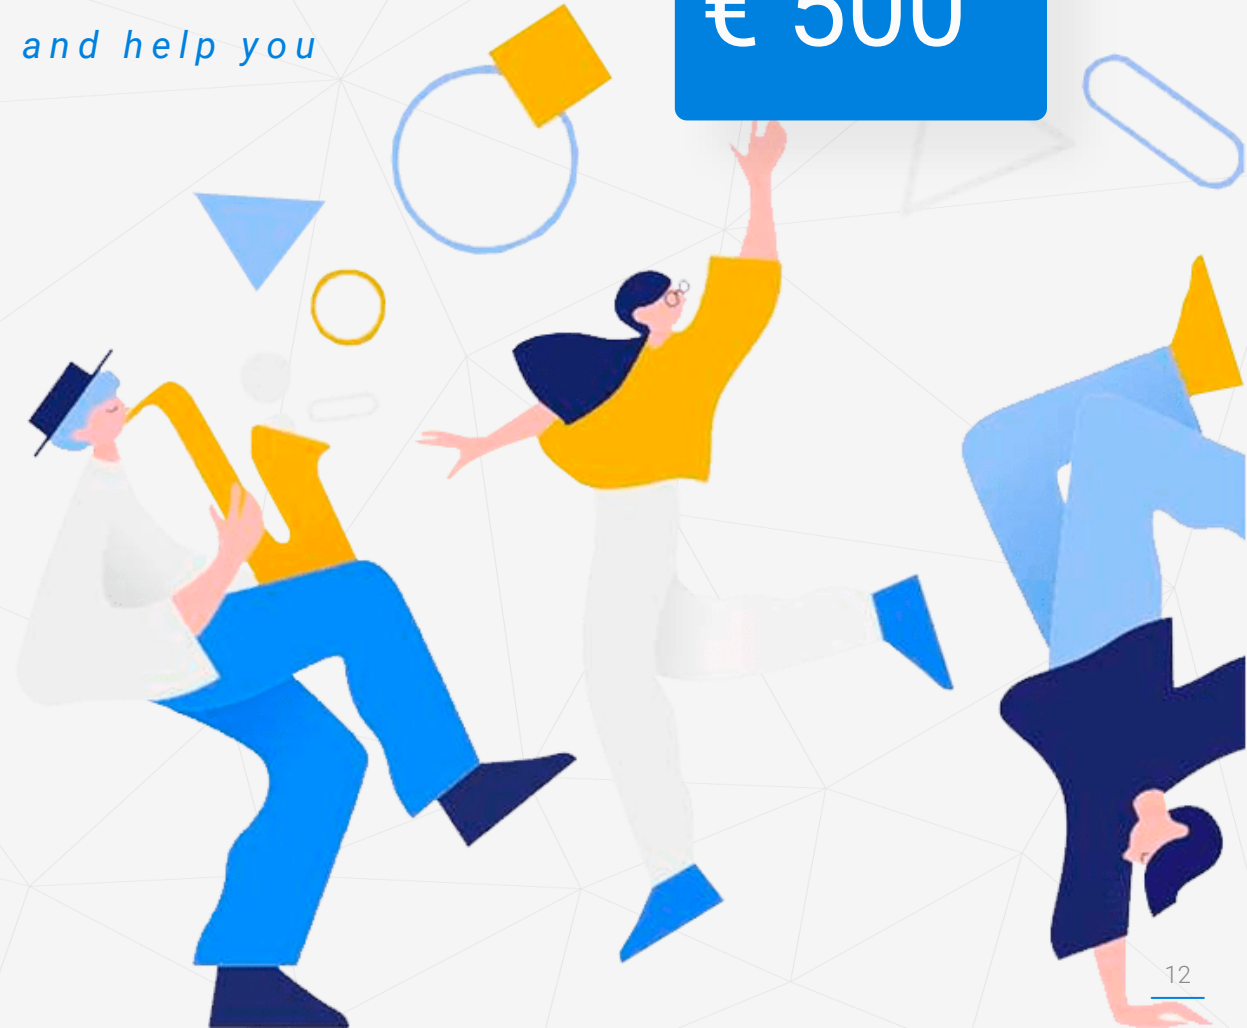

Start to

€ 150

Additional charge according to the number of contacts

Onboarding

We train your team in the use of the platform and help you in the global configuration of the account

€ 500

+ Consulting on the configuration and customisation of the application

+ Consulting to advise what type of integrations your team will need depending on your requirements (1 to 3 hours).

+ Team training and demo. Process and data review (1 hour)

Service Data Cleaning

CRMs require constant maintenance. *Let our team do it for you!*

€ 150
Standard data cleaning & consulting

What does the initial consulting include?

+ A consulting call to review your cleaning data and preparation.

+ Duplication and cleaning of existing leads and contacts (up to 50,000 leads).

Additional charges may apply in the case of complex data migrations, number of leads, and ongoing monthly cleanings.

Service

Our team can help you save time with the implementation, configuration and maintenance of your sales and marketing pipelines.

*These are some of the additional services:*

+ Custom integrations

+ Synchronize data between Datalyse and other services (Zapier, industry apps ... etc.)

+ Face-to-face visits
